Maternity BOX

Maternity box will help to pay enough attention to the health of kittens, and provide the cat with comfortable care for the babies. Box protects newborns from cold and drafts, and separate secluded place for relaxation is provided for mom. The maternity box can have an individual design and color, as well as be used in conjunction with an aviary (additional fasteners for the box are delivered with an aviary).

BABY PARKS

Baby parks were created to maintain the safety of newborn kittens at the growing stage. Equipped with a convenient entrance with adjustable height due to two retractable elements, and can be used in conjunction with a maternity box. Thanks to the universal design and convenient fasteners, you can add additional sections, and, if necessary, extend or expand them.

All soft elements are removable and easy to wash in the washing machine.

Exhibition TENT

The exhibition tent is made of 6.5 mm lightweight laminated plywood, the front part, the backdoor and the top plate are made of expanded polystyrene (excellent material, not breakable and can withstand travel and transportation). On the roof, you can add additional elements, stands for business cards and the name of the nursery. It is also possible to equip with soft mattresses and a shipping cover. It is possible to lengthen a single tent, make a passage through two tents, or insert a transparent polystyrene foam insert between two tents.
